

*Are you concerned about pollution?*

*Do you want to reduce health risks  
in your community?*

Fresno Coalition Against Misuse of Pesticides,  
Madera in Motion,  
Coalition for Clean Air, and  
U.S. Environmental Protection Agency  
*are pleased to invite you to attend:*

## **Tools and Resources to Help Communities Fight Pollution**

**Date:** Saturday, June 7, 2008

**Time:** 9:00 a.m. - noon

**Location:** Big Red Church  
(First Congregational Church of Fresno)  
2131 N. Van Ness Blvd. (at East Yale)  
Fresno, CA

The workshop will help you learn about:

- Opportunities to apply for EPA and other funds
- Steps and tips for putting together a successful grant application
- Tools and resources for accessing information on environmental risks in your community
- Ideas on how to use this information for community-based decision-making and action

To RSVP or to request a reasonable accommodation, please call  
Toll-free: 1-877-298-7915 or email:

[EPAWorkshops@ross-assoc.com](mailto:EPAWorkshops@ross-assoc.com)

For more information, Please call Debbie Lowe Liang at US EPA:  
lowe.debbie@epa.gov; (415) 947-4155.

***Light food and refreshments will be served***

***Help make this a "Green" Meeting:  
Please car pool, reduce waste, and recycle***
